Society Golf Upgrade Options 2018

Our objective is to help you make your golf day memorable. We are very happy to arrange any of the following options for you at reasonable cost. Please speak with Keith Johnson the Club Secretary who can make arrangements and confirm prices.

Score Cards and Start Sheets:

We can prepare score cards for each competitor and starting sheet.

Golf Balls, Tees and Markers:

If you wish to provide players with golf balls, tees, markers, or towels we can arrange according to your requirements.

Nearest the Pin:

Who doesn't like a nearest the pin challenge. We can arrange to have markers on the course before play. We would suggest the 3rd / 12th or second shots at the 6th / 15th.

Longest Drive:

We will arrange for longest drive marker pins to be on the course before play and would suggest either the 4th / 13th or 8th / 17th.

Straightest Drive:

As an alternative to longest drive the straightest drive is perhaps fairer to all and we would recommend the 4th / 13th. We would paint a white line down the middle of the fairway and marker.

Challenge the Professional:

Our Professional Roger Williams can be available for a challenge should such appeal. We would suggest the short 3rd hole. Roger would tee off with every group anyone who can get nearer the pin than him would win a prize.

Professional Group Demonstration or Lesson:

Roger would give a golf demonstration to your group, offering tips, alternatively he can provide a group lesson.

Putting Competition:

We can set up the putting green for a competition after play to add another fun element to your day.

Banners:

Should you wish to display banners or promotions on your golf day we can arrange to have these set out on the course ahead of play.

Photography

We have an excellent photographer who can provide great memories of your day, this might be group photos on the 1st tee, or individual action shots, or capturing the fun in the bar or dining room. Whatever you might require can be arranged.

Anything Else:

If we have not mentioned something you might require just ask Keith and it can be arranged.

Happy Golfing.
